Mansonville Elementary School outdoor fun day was a blast!

THE SCOOP MABLE HASTINGS

On Tuesday, June 22nd the students at the Mansonville Elementary School were treated to a fun day of activities organized in collaboration with the Mansonville Fire Department and the Municipality of Potton Director of the Fire and Civil Security Service, James Bouthillier who teamed up with MES Secretary, Tara Graves-Jersey to plan the event.
The day of activities included a clean up day around the school followed by a fierce water battle competition. At 1pm the local Fire Department arrived to provide a surprise assortment of activities that included a sprinkler and a watering down with the fire hose. This was definitely a highlight for the students. Many did not realize the pressure coming from the fire hose nor the technique required to control said pressure. Teachers, students and bystanders were soon drenched as

laughter and joy filled the air. The perfect addition to end to end of year activities and what can best be described as a "different" kind of school year.
The day also included some games organized by the teaching staff. Mr. Dan, Mr. Wisdom, Ms. Sarah, Mme Stephanie were helping the students while getting equally drenched and Ms. Ivan, Mme Hiro, Ms. Emilie and Mme Fanny were on hand to make sure the filling stations were replenished and used safely. Five members of the Mansonville Fire Department assisted with the activity and Firefighter, Alexi

Stagowski allowed the students to spray the teachers resulting in howls of laughter.
End of year activities at the Mansonville Elementary this year included: a cello presentation, celtic music and dance workshop, outdoor game day, celtic music workshop part 2, kayaking and swimming day at Carrefour des Campeurs camping, steam day (science, technology, engineering, art and math), shadow theatre show with dancing and singing, graduation and award ceremony, Bombardier Museum visit, and a beach day on June 23. These activities remind us that for a small school, Mansonville Elementary has a lot going on.
If you would like more information about the school, here is the contact info. Mansonville Elementary is located at 5, Marion Atwell Street in Mansonville and the phone number is: 450-292-5622 Fax: 450-292-0174. <https://www.facebook.com/MansonvilleElementarySchool>
Students and staff at the Mansonville Elementary School extend a big thank you to the Potton/Mansonville Fire Department and to James Bouthillier for the kindness they showed in partaking in the organizing and animating of this wonderful collaboration. This is something that the students will long remember and who knows, some may be inspired to become a member of the Fire Department or First Responders in the future!
