Arts and cultural participation makes a vital contribution to the development and well-being of individuals and society. Culture arises and flourishes first locally and given the gifts of many residents in music, literature, acting and more, Potton and surrounding areas are rich in talent and opportunity to broaden one's cultural experiences and knowledge not only during the three weeks designated as "cultural days" but all year round.

For more information about activities initiated by the Municipality of Potton visit: www.potton.ca For information about the Reilly House call 450-292-3109.
