Potton welcomes Appalaches Torr facteur coffee roasters

THE SCOOP MABLE HASTINGS

With a chill in the air, the township of Potton is about to dawn her most beautiful attire as fall and foliage season fast approaches. With the pandemic ever-present, many locals, tourists, and visitors are opting for outdoor activities to enjoy. As each weekend finds the local park in the middle of the town of Mansonville and surrounding areas abuzz with activity, it is nice to welcome a new business to the area to add to the diverse possibilities.

Potton coffee enthusiasts and visitors will now get to sample, purchase and enjoy a variety of coffees to go or to sample on-site with the arrival of a coffee roasting business located in the heart of Mansonville at 4 rue des Pins called, "Appalaches Torr facteur."

Coffees from around the world are showcased and available and it is never the same old grind at the Appalaches Torr facteur. Operated by Martin and Chrystine, who assure us that an official opening is forthcoming, the duo has already been welcoming visitors to their new centralized location. With coffee roasting equipment on-site, visitors can enjoy a coffee and observe how coffee is roasted while asking questions of a couple who have truly made coffee their business and their passion.

The Appalaches Torr facteur can be reached at 579-531-8787 with opening hours on Monday, Thursday and Friday

from 8:00 a.m. to 4:00 p.m. and on Saturday and Sunday from 9:00 a.m. to 4:00 p.m. Please take note that the business is closed on Tuesdays and Wednesdays.

A stop in the park while enjoying a physically distanced chat with friends can only be made a little warmer by a hot cup of java. Adjacent to the back side of the park is Appalaches Torr facteur, where the air is filled with the scent of fresh coffee brewing and Martin and Chrystine look forward to your dropping by.

While in Potton enjoying what the Main Street has to offer, don't forget to visit the Maison Reilly House where a variety of bargains await you, the weekend Public Market and Flea Market, the specialty shops and eateries (Bistro Chouette, Owls Bread Bakery, the Euro Deli), art galleries, the Round Barn site, stores local businesses and more.
