"We invite people to come and enjoy the music while skating to the beat or tapping their feet while watching from the sideboards," said Monique Gilbert who is leisure organizer for the Municipality of Potton.

"I have a great passion for music and dancing," explains Lucie Maurer. "I enjoy creating these power point video presentations for all to enjoy and if the last evening organized was any indication, this one should be well attended and a lot of fun for all," she said.

Saturday, Feb. 25 from 1 p.m. to 4 p.m. the community is invited to "come and play in the park." The program for this activity will be released soon with details appearing on the Municipal website page and on Facebook.

"Potton has such a beautiful park and we want everyone to enjoy the fun activities that can be organized at this location," said Gilbert. "Everyone can enjoy moving together whether it means taking a walk, tubing down a hill or skating to the great disco beat; everyone is welcome and encouraged to attend."

For those who feel like heading out of town, the winter trails around Owl's Head Golf Course opened this past Saturday at 10 a.m. If you enjoy cross-country skiing, snowshoeing or pedalling a fat bike, Owl's Head is proud to offer this new activity.
